

MICHAEL D. GURVEN

Department of Anthropology
University of California-Santa Barbara
Santa Barbara, CA 93106-3210

phone: (805)893-2202, email: gurven@anth.ucsb.edu

Professional Experience

2001- Assistant Professor (Level IV)
Department of Anthropology, University of California-Santa Barbara
2001 Adjunct Assistant Professor
Department of Anthropology, University of New Mexico

Education

2000 University of New Mexico, Ph.D. (with distinction) in Anthropology
1996 - 1998 University of New Mexico, M.S. (with distinction) in Anthropology,
Human Evolutionary Ecology Program
1992 - 1996 Pennsylvania State University, B.A. in Anthropology, B.A. in Math
University Scholars Program, Highest honors in Anthropology

Professional Specialization

- hunter-gatherer demography and life history theory
- evolution of food sharing and cooperation
- growth, development and aging
- public health and epidemiology in small-scale societies
- biological signaling theory, status competition and reputation formation
- population dynamics and resource conservation

Publications

In Press

- n.d. Kaplan, H., Gurven, M., Lancaster, J. Brain evolution and the human adaptive complex: an ecological and social theory. In: *The Evolution of Mind: Fundamental Questions and Controversies* (S.W. Gangestad, J.A. Simpson, Eds). Guilford Publications: New York.
- n.d. Gurven, M., Kaplan, H., Zelada, A. Mortality experience of Tsimane Amerindians of Bolivia: regional and temporal trends. *American Journal of Human Biology*.

Articles

- 2006 Gurven, M., Kaplan, H., Gutierrez, H. How long does it take to become a proficient hunter? Implications for the evolution of extended development and long life span. *Journal of Human Evolution* 51:454-470.
- 2006 DeBacker, C., Gurven, M. Whispering down the lane: the economics of vicarious information transfer. *Adaptive Behavior* 14(3):249-264.

- 2000 Gurven, M.D, W. Allen-Arave, K. Hill, A.M. Hurtado. *It's a Wonderful Life*: signaling generosity among the Ache of Paraguay. *Evolution and Human Behavior* 21:263-282.
- 2000 Gurven, M.D. How can we distinguish between mutational “hot spots” and “old sites” in human mtDNA samples? *Human Biology* 72(3):455-471.
- 1998 Harpending, H., Baxter, M., Gurven, M., Jorde, L.B., Rogers, A.R., and Sherry, S.T. Genetic traces of ancient demography. *PNAS* 95(4):1961-67.
- 1997 Gurven, M., and K. Hill. Comment on Hadza women’s time allocation, offspring provisioning, and the evolution of long postmenopausal life spans” by Kristen Hawkes, James F. O’Connell, Nick G. Blurton Jones. *Current Anthropology* 38:566-67.

Book Chapters

- 2005 Kaplan, H., M. Gurven. The natural history of human food sharing and cooperation: a review and a new multi-individual approach to the negotiation of norms. *Moral Sentiments and Material Interests: Foundations of Cooperation in Economic Life*. Editors: H. Gintis, S. Bowles, R. Boyd, E. Fehr. MIT Press.
- 2004 Gurven, M. Does market exposure affect economic behavior? The ultimatum game and public goods game among the Tsimane’ of Bolivia. In: *Foundations of Human Sociality: Economic Experiments in 15 Small-Scale Societies*. Editors: J. Henrich, R. Boyd, S. Bowles, C. Camerer, E. Fehr. Oxford University Press.
- 2004 Hill, K., Gurven, M. Economic experiments to examine fairness and cooperation among the Ache Indians of Paraguay. In: *Foundations of Human Sociality: Economic Experiments in 15 Small-Scale Societies*. Editors: J. Henrich, R. Boyd, S. Bowles, C. Camerer, E. Fehr. Oxford University Press.

Book Reviews and Encyclopedia Entries

- 2006 Gurven, M. “Human Behavioral Ecology”. In: H. Birx (Ed). *Encyclopedia of Anthropology*. Thousand Oaks, CA: SAGE Publications.
- 2004 Gurven, M. Review of On Fertile Ground: Natural History of Human Reproduction. *Journal of Anthropological Research* 60(1):132-133.
- 2004 Gurven, M. Review of Genetic and Cultural Evolution of Cooperation. *Journal of Anthropological Research* 60: 399-400.

Reports

- 2006 Kaplan, H., Gurven, M. Top-down and bottom-up research in biodemography. For National Institutes of Health/National Institute on Aging. .

Popular Press

- 2004 Gurven, M. excerpt in “Partying all over the world”. *New Scientist* 2479.

Submitted and Accepted

- n.d. Gurven, M., Zanolini, A., Schniter, E. Culture sometimes matters: intra-cultural variation in pro-social behavior among Tsimane Amerindians. Accepted to *Journal of Economic Behavior and Organization*. Jan 2007.

- n.d. Kaplan, H., Gangestad, S., Gurven, M., Lancaster, J., Mueller, T., Robson, A. The evolution of diet, brain and life history among primates and humans. In: *Guts, Brains, Food and the Social Life of Early Hominids*. W. Roebucks, Editor. Leiden, University of Leiden Press.
- n.d. Gurven, M. Why don't the Tsimane punish? an experimental investigation of dictators, ultimatums and punishment. Book chapter for volume.
- n.d. Allen-Arave, W., Gurven, M., Hill, K. Reciprocal altruism, not kin selection, maintains nepotistic food transfers on an Ache reservation. Accepted to *Evolution and Human Behavior*.
- n.d. Gurven, M., Kaplan, H. Longevity among hunter-gatherers: a cross-cultural examination. Submitted to *Population and Development Review*. April 2006.

Fellowships, Scholarships, and Honors

- 2006 National Science Foundation Research Experiences for Undergraduates Supplement, \$4,000
- 2006 National Science Foundation Research Experiences for Undergraduates Supplement, \$4,000
- 2004 Harold J. Plous Award Recipient, UCSB
- 2004-2009 National Institutes of Health/NIA Grant, \$2.7 million, "The biodemography of aging and the human life course" (w/ Hillard Kaplan)
- 2004-2009 National Science Foundation Grant, \$385,000, "Grandparenting and the evolution of post-menopausal lifespans" (w/ Hillard Kaplan)
- 2004 MacArthur Foundation Preferences Network Grant, \$12,996
- 2004 Academic Senate Faculty Research Grant, UCSB, \$8,405
- 2004 Faculty Career Development Award, UCSB, \$6,000
- 2002 Academic Senate Faculty Research Grant, UCSB, \$10,000
- 2002 National Science Foundation Grant, \$8,000
- 2002-2003 National Science Foundation (NSF) Grant, \$150,000, "Growth, development, aging, and sociality among the Tsimane of Bolivia" (w/ Hillard Kaplan)
- 2001 Junior Faculty Research Incentive Award, UCSB, \$5,000
- 2001 Faculty Travel Grant, \$500
- 2000 Student Research Allocations Committee (SRAC) grant, \$500, University of New Mexico
- 2000 Latin American Institute Field Research Grant, \$1,154 University of New Mexico,
- 2000 RPT Grant, \$1,000, University of New Mexico
- 1999 Freida Butler Memorial Lecture Award, \$400
- 1999-2000 Graduate Tuition Fellowship, \$2,000, University of New Mexico
- 1999 MacArthur Foundation Preferences Network Grant, \$1,100
- 1999 Student Research Allocations Committee (SRAC) grant, \$400, University of New Mexico
- 1996-1999 National Science Foundation Graduate Research Fellow - full tuition and \$14,000 per year stipend for 3 years
- 1998 Louis B. Leakey Foundation Grant, "Food sharing and sedentism among the Ache of Paraguay", \$2,000

1997 Latin American Institute Summer Language Fellowship, \$300
 1996 Phi Beta Kappa
 1992-1996 University Scholars Program, Penn State University, University Park, PA
 1992-1994 Teas Physics Scholar, Penn State University, University Park, PA

Field Research

9/2006 Public relations, training, management
 5/2006 Hiring medical personnel, supervising, training
 1/2006 Launching several additional health components of project
 7/2005 – 8/2005 Supervising, managing, data collection for Tsimane Health and Life History Project
 2/2005 – 3/2005 Supervising, training for Tsimane Health and Life History Project
 7/2004 – 9/2004 Initiated Year 3 of Tsimane Health and Life History Project
 7/2002 – 7/2003 Directed “Tsimane Health, Economics, and Life History Project in Bolivia, investigating demography, health, time use, foraging patterns, marriage, social networks, and sharing
 12/2001 Logistical foray in numerous Tsimane villages
 5 – 6 / 2000 Conducted censuses, reproductive histories, and economics experiments with Tsimane in Bolivia
 5 – 8 / 1999 Performed economics experiments relating to cooperation, and scouted several sites for future field research among Tsimane’ forager-horticulturists of lowland Bolivia
 1 – 6 / 1998 Studied variation in food distribution behavior in forest and reservation contexts, the emergence of reputations for generosity, and field labor exchange among Ache foragers of eastern Paraguay
 5 – 8 / 1994 Participated in the Penn State Archaeology Field School to investigate the emergence of craft-specialization, hierarchy, and intensive agro-pastoralism within a small-scale Late Bronze/Early Iron Age “Nuragic” population in Borore, Sardinia
 11/1994 – 5/1996 Studied the genetics of population expansions throughout recent human history and the effects of inbreeding among colonists of Tristan da Cunha island at the Penn State Anthropological Genetics Laboratory under the supervision of Mark Stoneking and Henry Harpending

Professional Service

2006- Member, UCSB ISBER Advisory Committee
 2006- Member, UCSB Anthropology Graduate Committee
 2006 Session organizer at Human Behavior and Evolution Society meeting: “Tsimane life history”
 2005-2006 Member, UCSB Anthropology Department Undergraduate Committee
 2004-2005 Faculty sponsor, Anthropology Graduate Student Association
 2004- Member, Executive Committee for Interdisciplinary Human Development Program at UCSB
 2003-2004 Chair, Faculty Proseminar Committee
 2003-2004 Member, Anthropology Graduate Committee

- 2003-2004 Member, Anthropology Department Web Committee
- 2003- Anthropology representative, Quantitative Methods in the Social Sciences Program (QMSS), UCSB
- 2003 Presentation of “Salud, economía, y demografía de los Tsimanes” with Dr. Ruben Copana, Dr. Edhitt Cortez. Feria de Salud, San Borja, Beni, Bolivia
- 2003 Brown bag presentation to Anthropology Dept. at Harvard University, “Explanations of longevity-related shifts in human life history”
- 2002 Chair, Session at Human Behavior and Evolution Society meeting: “Coalitions, cooperation and sharing”
- 2001 Search Committee Member, Senior Sociocultural Anthropology hire
- 2001 Presentations to Developmental and Evolutionary Psychology Group
- 2001 Brown bag presentations to anthropology department
- 2001 Guest speaker for the 5th Annual Youth Conference on the Environment
- 1999-2000 Treasurer for the Anthropology Graduate Student Union (AGSU)
- 2000-2001 Human Evolutionary Ecology representative for AGSU
- 2000 Grant-writing committee chair for the 2000 Graduate Student Symposium
- 1997 Human Evolutionary Ecology representative for AGSU

Other Service

- 2005 Faculty usher at graduation for anthropology department
- 2005 Funding and organization of construction of community well in Tsimane village
- 2005 Formal agreement with Mayor of San Borja, Hospital, Gran Consejo Tsimane and Horeb Mission Clinic for treatment and emergency hospitalization of Tsimane in San Borja
- 2005 Donation and installation of radio communication in Tsimane villages and Horeb Mission Clinic
- 2003 Guest speaker on local radio program addressing health issues among Tsimane, San Borja, Beni, Bolivia
- 2002 Invited commentator in Science, Religion, and Human Experience lecture series
- 2002 Taught free capoeira classes to community in San Borja, Beni, Bolivia
- 2002 Invited speaker for ‘Rainforest Awareness Night’ by Increase the Peace at UCSB
- 2001 Faculty Phone-a-thon Participant
- 2001 Invited speaker for Youth Conference on the Environment, Albuquerque, NM

Courses Taught

Undergraduate

- Behavioral Ecology of Hunter Gatherers
- The Human Life Course
- Anthropological Demography and Life History
- Evolution of Cooperation
- Anthropological Research Methods
- Human Growth and Development

Graduate

- Human Behavioral Ecology Seminar
- Biosocial Anthropology Lab Group

Conference Presentations

- 2006 Gurven, M. Hunting as subsistence and mating effort? Re-evaluating Man the Hunter. International Seminar on the Ecology of Male Life History. IUSSP Scientific Panel on Evolutionary Perspectives in Demography. Castle of Rauischholzhausen, Germany.
- 2006 Gurven, M., Kaplan, H. Lifespan evolution and the Human Adaptive Complex: Is seven decades a good candidate? Human Behavior and Evolution Society Eighteenth Annual Conference Plenary Talk. University of Pennsylvania.
- 2006 Gurven, M., Kaplan, H., Gutierrez, M. Skills development and extended childhood: an instructive case. Human Behavior and Evolution Society Eighteenth Annual Conference. University of Pennsylvania.
- 2006 Veile, A., Kaplan, H., Gurven, M. Infant care practices and health outcomes among Tsimane of Bolivia. Human Behavior and Evolution Society Eighteenth Annual Conference. University of Pennsylvania.
- 2006 Stiglietz, J., Gurven, M., Kaplan, M. Tsimane' Children's Time Allocation and Implications for Parent-Offspring Conflict. Human Behavior and Evolution Society Eighteenth Annual Conference. University of Pennsylvania.
- 2006 Winking, J., Gurven, M., Kaplan, H. Measuring the Impacts of Fathers among the Tsimane of Bolivia. Human Behavior and Evolution Society Eighteenth Annual Conference. University of Pennsylvania.
- 2006 von Rueden, C., Gurven, M., Kaplan, H. Components of Male Status Amongst the Tsimane of Bolivia. Human Behavior and Evolution Society Eighteenth Annual Conference. University of Pennsylvania.
- 2006 Gurven, M., Kaplan, H. Longevity in hunter-gatherers: cross-cultural perspectives. Population Association of America Meeting, Los Angeles, CA.
- 2006 Kaplan, H., Gurven, M., Winking, J. The evolution of post-reproductive lifespan. Population Association of America Meeting, Los Angeles, CA.
- 2005 Kaplan, H., Gurven, M., Winking, J. Grandparenting and the evolution of post-menopausal lifespan. International Union for the Scientific Study of Population, 25th International Population Conference, Tours, France.
- 2004 Rucas, S., Gurven, M. Conflict, resource competition and networking among Tsimane women. Stanford Institute for Research in the Social Sciences (IRiSS) Workshop: Anthropological Perspectives on Ecology and Health.
- 2004 Kaplan, H., Gurven, M. An evolutionary model of lifespan extension and grandparenting in traditional societies. 57th Annual Gerontological Society of America Meeting, Washington DC.
- 2004 Gurven, M. Childhood and second childhood: some thoughts on the evolution of the human life course. Evolution, Mind, and Behavior Conference. UCSB.
- 2003 Gurven, M. Tsimane Health, Production, and Life History: a new research initiative. Conference on New Directions in Human Behavioral Ecology. University of Maine, Orono.
- 2003 Gurven, M. Give, take, and take away: sharing, production, and punishment among the Ache and Tsimane forager-agriculturalists. Luce Conference on Evolutionary Models of Economic and Social Behavior. Penn State University.

- 2002 Gurven, Michael D. "Why do foragers share and sharers forage?" Human Behavior and Evolution Society Fourteenth Annual Conference. Rutgers University. New Brunswick, NJ.
- 2002 Allen-Arave, Wesley, Gurven, Michael, and Hill, Kim. "Is food sharing between close kin due to kin selection or reciprocal altruism?" Human Behavior and Evolution Society Fourteenth Annual Conference. Rutgers University. New Brunswick, NJ.
- 2001 Gurven, Michael D. "What determines variation in cooperative behavior among the Tsimane?" American Anthropological Association, Washington DC.
- 2001 Rucas, Stacey, Michael Gurven. "How does socioecology influence male and female family size preferences?" Society for Applied Anthropology Meeting. Mérida, Mexico.
- 2001 Kaplan, Hillard, Michael Gurven. The natural history of human food sharing and cooperation: a review and a new multi-individual approach to the negotiation of norms. Conference on the Structure and Evolution of Strong Reciprocity, Santa Fe Institute, Santa Fe, NM. March 9-11.
- 2000 Gurven, Michael D. "From forest to settlement: comparisons in food production and distribution systems among the Ache of Paraguay". American Anthropological Association. San Francisco, CA.
- 1999 Gurven, Michael D. "It's a Wonderful Life: signaling generosity among the Ache of Paraguay". Human Behavior and Evolution Society Eleventh Annual Conference, Salt Lake City, UT.
- 1999 Gurven, Michael D. "Are hunter-gatherer men good providers or status-seeking show-offs?" Society for Research in Child Development Meeting, Albuquerque, NM.
- 1999 Gurven, Michael D. "Transitions in food sharing patterns from nomadic foragers to sedentary horticulturalists." Society for Cross-Cultural Research Meeting, Santa Fe, NM.
- 1998 Gurven, Michael D., Hillard Kaplan. "Determinants of time allocation to production among Machiguenga and Piro Indians." Human Behavior and Evolution Society Tenth Annual Conference, Davis, CA.
- 1997 Gurven, Michael D. "Hiwi food sharing patterns and bargaining theory: a synthesis." Economic Science Association Meeting, Tucson, AZ.
- 1997 Gurven, Michael D., Kim Hill. "Food sharing among the Hiwi: evidence for reciprocal altruism." Human Behavior and Evolution Society Ninth Annual Conference, Tucson, AZ.

Invited Presentations

- 2007 Gurven, M. Hunter-gatherer longevity. Population Speaker Series. Department of Demography. University of California-Berkeley. Berkeley, CA.
- 2006 Gurven, M. Mortality in small-scale societies sheds light on human longevity. Stanford University, Department of Anthropological Sciences, Colloquium Series on New Perspectives on Hunting and Gathering. Dec. 1, 2006
- 2006 Kaplan, H., Gurven, M., Winking, J. The evolution of human mortality: long lives and late maturation. Population Research Center. University of Texas-Austin.
- 2006 Gurven, M. Experimental investigations of fairness in field populations. Developmental and Evolutionary Psychology (DEVO) Talk Series, University of California-Santa Barbara.
- 2006 Gurven, M. Live long and prosper: evolutionary perspectives on human longevity. University of Pennsylvania, Department of Anthropology.

- 2006 Gurven, M. Conservation and indigenous knowledge among Tsimane of Bolivia. University of Hawaii, Department of Botany. Honolulu, HI.
- 2005 Gurven, M. The Evolution of Human Longevity. Plous Award, Public Lecture. University of California-Santa Barbara.
- 2005 Kaplan, H., Gurven, M. The evolution of human mortality: long lives and late maturation. University of Pennsylvania Population Studies Center, Invited talk, Fall Colloquium Series.
- 2005 Gurven, M. Matching Games in Field Populations. Invited talk at Cal Tech. Cross-cultural Economics Games Project. Los Angeles, CA.
- 2005 Gurven, M. Homo economicus or Noble Savage? Ultimatums, dictators, and punishment among the Tsimane of Bolivia. Invited lecture, SFU-BMO Lecture Series on Economics and Evolution. Simon Fraser University, Vancouver.
- 2005 Gurven, M. Live long and prosper: delayed maturation and subsistence learning among Tsimane Amerindians. Department of Anthropology, Emory University, Atlanta.
- 2005 Gurven, M. Long lifespan and late maturation among humans. Center for Studies in Demography and Ecology Seminar Series. University of Washington, Seattle.
- 2005 Gurven, M. The evolution of delayed growth. Interdisciplinary Program in Human Development. University of California, Santa Barbara.
- 2004 Gurven, M., Kaplan, H., Winking, J. Age-specific mortality, fertility, causes of death, and functional status among the Tsimane of Bolivia. Workshop on "Vital Age-Trajectories: Realities and Theories". Max Planck Institute for Demographic Research, Rostock, Germany.
- 2004 Gurven, M. Reciprocity, scrounging, and signaling: why do people share? University of Ghent, Belgium. Department of Philosophy.
- 2004 Gurven, M. Human behavioral ecology: theory, methods, and examples. UCSB. Quantitative Methods in the Social Sciences. Invited presentation.
- 2004 Gurven, M. Determinants of time allocation across the lifespan. UCLA Behavior, Evolution, and Culture Series. Invited presentation.
- 2004 Gurven, M. Why don't the Tsimane punish: ultimatums, dictators, and punishment. Invited talk at Cal Tech. Cross-cultural Economics Games Project.
- 2004 Gurven, M. The whys and wherefores of human food sharing. University of Michigan. Department of Anthropology. Invited presentation.
- 2003 Gurven, M. Tsimane Health, Production, and Life History: a new research initiative. Harvard University. Department of Anthropology.
- 2002 Gurven, Michael D. "Cooperation and Food Sharing among Human Hunter-Gatherers" Invited talk to National Center for Ecological Analysis and Synthesis (NCEAS). Santa Barbara, CA.
- 2001 Gurven, Michael D. "To Give or Not to Give: The Evolutionary Ecology of Hunter-Gatherer Food Exchange". Invited talk at UCLA. Dept of Anthropology.
- 2001 Gurven, Michael D. "To Give or Not to Give: The Evolutionary Ecology of Hunter-Gatherer Food Exchange". Invited talk at UCSB. Dept of Anthropology.
- 2000 Gurven, Michael D. "The dictator game among the Tsimane of Bolivia". Invited talk at Cal Tech. Cross-Cultural Economics Games Project.
- 1999 Gurven, Michael D. "Does market exposure affect economic behavior?: The Ultimatum Game and Public Goods Game played with the Tsimane' of Bolivia". Invited talk at UCLA.

1999 Gurven, Michael D. "From Subsistence to Sociality: The Role of Food Sharing among Hunter-Gatherers". Freida Butler Memorial Lecture, University of New Mexico.

Miscellaneous Experience

Reviewer for *Research in Economic Anthropology*, *Human Nature*, *Current Anthropology*, *Evolution and Human Behavior*, *Human Ecology*, *Journal of Anthropological Research*, *Experimental Economics*, *Proceedings of the Royal Society: Series B*, *Journal of Ecological Economics*, *Nature*, *Journal of Criminal Justice*, *American Anthropologist*

Reviewer for National Geographic Society Grant, NSF Cultural Anthropology Grants, NSF Career Grants, TESS proposal, Leakey Foundation Grant proposal, European Science Foundation EUROCORE proposal
