

# ANTHROPOLOGY 3 – INTRODUCTION TO ARCHAEOLOGY FINAL STUDY GUIDE

The Final will focus on the second half of the course, including lectures, guest lectures, films, readings, and the study guide, but you may also need to draw upon the first half in order to answer some questions properly. The Final will take place Thursday, **June 11th, 12-3 at Embarcadero Hall** and will consist of 50 questions counting for 25% of your grade. Below is a list of terms that will focus your study for the multiple choice questions that you will find on the final. PLEASE BRING A PINK SCANTRON.

## LIST OF TERMS

- |                             |                            |                                 |                    |
|-----------------------------|----------------------------|---------------------------------|--------------------|
| 1. A. Breuil                | 21. Culture History        | 41. K. Wittfogel                | 61. Rachis         |
| 2. A. Demarest              | 22. David Stuart           | 42. Kennewick Man               | 62. Shaman         |
| 3. Abu Hureya               | 23. Domesticates           | 43. Kent Flannery               | 63. Shanidar       |
| 4. Agricultural Revolution  | 24. Dresden Codex          | 44. Koobi Fora                  | 64. Shell midden   |
| 5. Ain Ghazal               | 25. Easter Island          | 45. Mary Ann Hall               | 65. Slack Farm     |
| 6. Australopithecus         | 26. Flotation              | 46. Materialization of Ideology | 66. Spork          |
