ACKNOWLEDGEMENT OF PROCEDURES FOR SUBMISSION AND POLICIES FOR PERPETUAL CURATION OF ARCHAEOLOGICAL COLLECTIONS

at the Repository for Archaeological and Ethnographic Collections
Department of Anthropology
University of California, Santa Barbara

I, the undersigned, acting as requester for the curation of said collection below, have read, understood and agree to abide by the conditions and requirements of the UCSB Repository's Procedures for the Submission of Archaeological Collections for Curation and Policies for Perpetual Curation of Archaeological Collections.

I, as legal owner of this collection or the lawful agent, certify that I will examine the collection in its entirety and that it will contain no NAGPRA-related items pursuant to 43 CFR Part 10 (25 U.S.C, Sec. 3001 et seq.). This collection will contain no human remains, funerary objects, items that are known or believed to be sacred, or materials that may be defined as items of cultural patrimony. All submitted faunal remains (1/8” screened or larger, exempting fish, reptile, and small mammal) will be reviewed by a forensic anthropologist/bioarchaeologist (with a minimum MA in human osteology/forensic anthropology/bioarcheology, or similar, and whose thesis work was conducted on human bone), and will be determined to contain no human remains. Upon submission of this collection, analyst name, degree, CV, and thesis title will be provided in the Collections Submission Faunal Review Verification Form.

I agree to pay all curation charges once a bill is received from UCSB. I understand that any failure to comply with the aforementioned conditions and requirements will result in grounds for denial of subsequent access to all collections or requests for curation of collections at the UCSB Repository.
